## First Responder Partners

Thank you for your interest in becoming a First Responder or Authorized Partner with EZEC, Inc. Our Responders include EMS and EMT Services, fire departments, police departments, wilderness first responders, parks and recreation executive leaders, hospitals, urgent care, and other medical facilities throughout the United States and Europe. We are looking to expand to other regions in the coming year.

If you would like information about EZEC, Inc. or becoming a partner, please contact us at:

**Phone:** (303) 355-1916

**Email:** [emssupport@myezec.com](mailto:emssupport@myezec.com)

We want to make sure that you, and EZEC, Inc. are a good fit together. To enroll Responders into our network, we have a couple things to review with the Administrator of the organization. This includes verification of some information regarding security, quality, and training. We may ask for a few documents for authentication purposes, or to discuss how we can best support your organization. Once the Administrator is enrolled, we can add responders under the Admin. We look forward to speaking with you!
